

BALLISTIC HELMET TACTICAL MICH 2000

MATERIAL PE

Model: TACTICAL MICH 2000 (High Quality)

Material: PE

Level: Level NIJ IIIA 9mm/.44

Size: S/M/L/XL

Weight: 1.50-1.55 kg

Color: Black, OD Green, Ranger Green, Sandy

Short Description

The high quality MICH 2000 is made of PE/UHMWPE material, a synthetic material known for its light weight, resistant to ultraviolet rays, which can be used in harsh environments with a long service life.

The helmet is equipped with a range of advanced features, including NVG mounts and communication equipment, making it the perfect helmet for tactical operations.

The helmet is packed with features designed to enhance comfort and functionality. It includes BOA dial fit adjustment systems to provide a customizable and secure fit, as well as a removable moisture-wicking lining for maximum comfort. One of the key benefits of the helmet is its ease of use. The design allows for quick and easy donning and doffing, making it an ideal choice for a wide range of agencies and applications, including military, police, SWAT, border and customs protection, and national security agencies.
